

# Community Sport and Recreation COVIDSafe Plan

Organisation name: ST CHRISTOPHERS JUNIOR BASKETBALL CLUB

Plan completed by: TRISH GIUNTA and RODNEY WESTON

Date reviewed & approved: JANUARY 31, 2021 by CLUB COMMITTEE

## 1. Ensure physical distancing

Requirements	Actions
Ensure participants, volunteers and organisers are 1.5 metres apart as much as possible.	<ul style="list-style-type: none"><li>• Entry to training venues limited only to team members, coaches, and a designated bio-safety officer (BSO) for each team.</li><li>• Team BSO's will ensure that their team only accesses the venue after the previous team has completed training.</li><li>• Team BSO's and Coaches will ensure that the training is completed 5 minutes ahead of the scheduled time, providing time for cleaning and departure ahead of the next team arriving.</li><li>• Physical activity limited to that permitted by the Chief Health Officer as part of the game</li><li>• Where permitted by the venue, different doors will be used for entry and exit.</li><li>• Signage will be in place specifying the maximum occupancy of each area.</li></ul>
Ensure venue density limits are met	<ul style="list-style-type: none"><li>• Training sessions are scheduled so that there will never be more than the maximum occupancy at each venue.</li><li>• BSO's monitor compliance for each session</li></ul>
Ensure personnel are trained and equipped to meet requirements.	<ul style="list-style-type: none"><li>• BSO's complete Dept of Health COVIDSafe training, with a certificate lodged to the Club Committee.</li><li>• Regular messaging to participants, volunteers, and organisers about physical distancing requirements, gathering, participants and spectators' limits.</li><li>• BSO's reinforce and educate participants, volunteers and organisers on hand and cough hygiene, including how to wash and sanitise their hands correctly</li></ul>

## 2. Wear a face mask

Requirements	Actions
Ensure all participants, volunteers and organisers entering the venue/facility wear a face mask as per public health advice	<ul style="list-style-type: none"><li>• Members advised to always carry a face mask when leaving home unless they have a lawful reason.</li><li>• Strongly recommended members wear a mask whenever they cannot keep 1.5 metres distance from others, including when inside a basketball stadium.</li></ul>

## 3. Create workforce/activity bubbles

Requirements	Actions
Limit the number of participants, volunteers and organisers engaging in activities across multiple teams/venues/facilities where practical. This includes avoiding having participants playing across multiple teams.	<ul style="list-style-type: none"><li>• Teams train on a fixed schedule once per week at the same venue and time with the same participants.</li></ul>

## 4. Practise good hygiene

Requirements	Actions
Frequently and regularly clean and disinfect shared spaces, including high-touch communal items such as door-knobs, and shared equipment.	<ul style="list-style-type: none"><li>Facilities (schools) to continue to arrange cleaning and provide access to rubbish bins for disposal of wipes.</li><li>BSO to clean high touch areas with wipes, as necessary.</li><li>BSO provided with COVID backpack including hand sanitizer, ball wipes and alcohol cleaning wipes.</li><li>BSO to ensure all wash hands and balls on entry and encourage regular handwashing.</li><li>Identify high touch surfaces (door handles, light switches).</li><li>Avoid sharing of equipment such as balls.</li><li>Require players to bring their own personal equipment, labelled with their name. No sharing of personal items such as water bottles, food, and towels.</li><li>All attendees will sanitise their hands upon arrival and departure at the venue / facility.</li><li>BSO to ensure that sanitisation wipes are placed in bins provided by school or removed from stadium and disposed of offsite.</li></ul>

## 5. Keep records and act quickly if participants, volunteers or organisers become unwell

Requirements	Actions
Support participants, volunteers, and organisers to get tested and stay home even if they only have mild symptoms.	<ul style="list-style-type: none"><li>Club communications will emphasise that all people are to stay home if unwell.</li></ul>
Plan to manage any outbreaks.	<ul style="list-style-type: none"><li>Any member who is diagnosed positive or is notified that they are a close contact, must inform the Club via the President, Vice President or Secretary</li><li>Club Committee (led by President or Vice President) will notify Venue Owners, DHHS, participants, volunteers and organisers and close contacts about a positive case who has attended any venue/facility.</li><li>Any people who are a suspected or confirmed case must confirm to the Club Committee they have been cleared by DHHS before attending any training or games.</li><li>All actions in relation to closing the facility for deep cleaning, conducting deep cleaning, and reopening the facility will be the responsibility of the venue owner.</li></ul>
Keep records of all people who enter the venue/facility for contact tracing.	<ul style="list-style-type: none"><li>BSO will record those attending each training session and provide this information following training each week to the Training Coordinator.</li><li>We have QR codes for each venue but will not implement at this stage, as attendees will only be designated people on the team.</li></ul>

## 6. Avoid interactions in enclosed spaces

Requirements	Actions
Reduce the amount of time participants, organisers, parents, carers, and anyone in attendance for activity are spending in enclosed spaces (e.g., entrances, bathrooms, changerooms and clubhouses) (where use of indoor areas are permitted under the restrictions).	<ul style="list-style-type: none"><li>Encourage coaches to take team meetings / discussions outside.</li><li>Windows and doors to be opened to enhance airflow.</li><li>Entry restrictions, arrival and departure management supervised by team BSO's as above.</li></ul>
